Re: Submission of Studies in Response to  
Comprehensive Data Call-In Notice for  
Data on Para-Dichlorobenzene

Dear Mr. Kempter:

Enclosed please find three originals and one copy of a study titled "Para-Dichlorobenzene: Acute Toxicity to Daphnia Magna Under Flow Through Conditions" and one original and three copies of a study titled "Para-Dichlorobenzene: An Acute Oral Toxicity Study With the Bobwhite." These studies are submitted on behalf of the Chlorobenzene Producers Association and its member companies, Monsanto Company, PPG Industries, Inc., and Standard Chlorine Chemical Company. These studies were submitted in response to Data Requirement Guidelines 72-2 and 71-1 in the Comprehensive Data Call-In Notice for Para-Dichlorobenzene issued October 21, 1987 and received on November 16, 1987.

We are delivering the submissions to this address to facilitate your review of the materials and to avoid delays caused by the internal mail system at EPA.
